

Fall 2024 Raffle Winners

We would like to thank everyone who participated in the Raffle as it appears we raised enough money to cover the cost of the Social. If you check over the list of Prize Winners you will see a couple are listed more than once. While many bought just one ticket, others bought several increasing their chances to win. Although, that does not always pay off, it did for two retirees this time around.

And thanks to all who participated in the Social! If you have not made a Social yet, start making plans to attend our April 2025 Social in Creedmoor. We normally have well over 100 retirees attend and you may just run across a few who you worked with during your years of service to your community.
