

## Kimberly Ann (Kim) Nobles

On May 15, 2024, retired APD Lieutenant Kimberly Nobles began her next journey. This time to the land of Valinor – the Undying Lands, where she will be united with her soulmates Frodo and Gandolf. Like them, Lt. Nobles was never willing to give up the fight for justice and protection of those she was entrusted to keep safe.

Kimberly Nobles joined the Austin Police Department shortly after graduating from Texas State University. Though she served in many positions from Patrol to Traffic to what would become the District Representatives, Lt. Nobles was most proud of her work in Training, representing the department as a member of the Pipe Band, and her work with the APA during a difficult period where she briefly served as the voice of sworn.
